Attn: Mr. Ed Reiter

Dear Mr. Reiter,

I just wanted to drop you a small note to thank you for running the articles concerning National Coin Week. Being chairman of National Coin Week, I was glad to see this type of coverage. The request for guidelines, posters, and cards have been pretty heavy so far. I hope National Coin Week does go better than usual this year.

Thank you again for your support and coverage on National Coin Week.

Sincerely,

John Watson
